Subject: Let's Shape a Unique Role Together

Dear Liza,

I hope this message finds you in good spirits.

At Ayagro, we're not just hiring for roles — we're building a team of passionate individuals who want to make an impact. After observing your talent and energy, I believe you could bring tremendous value in a **combined role** that spans **Digital Marketing**, **Field Marketing**, and **Client Relationship Management**.

This is not a conventional job offer — it's an invitation to grow **with us**, and **shape your own journey** within our company.

We would love to understand your **vision and ambitions** in this space:

- What drives you in marketing and client engagement?
- How would you approach building relationships — both online and in person?
- What kind of goals would you set for yourself in such a role?

Based on your response, we're excited to **custom-build this position** to align with both your aspirations and our company goals. Once we review your ideas, we're confident we'll move forward together and officially onboard you into this exciting new chapter.

Looking forward to hearing your thoughts!

Warmly,
Saikat Sen
